Re: Federal-State Joint Board on Universal Service
CC Docket No. 96-45

Dear Madam Secretary:

In accordance with Section 1.1206 of the Commission's rules, 47 C.F.R. § 1.1206, we hereby provide you with notice of an oral *ex parte* presentation in connection with the above-captioned proceeding.

On Friday, February 11, 2005, undersigned counsel, along with Brad Stein, on behalf of U.S. Cellular Corporation ("USCC"), met with Jessica Rosenworcel in Commissioner Copps' office to discuss the Commission's upcoming action in the above-referenced docket.

We discussed USCC's success in bringing health/safety and economic development benefits to rural areas with high-cost support, and reaffirmed the need for wireless carriers to continue to receive high-cost support under competitively neutral universal service rules. We also affirmed positions taken in the comments filed by USCC in this proceeding. Finally, we discussed how the current 'per line' methodology for providing support to competitive ETCs controls fund growth and limits the ability of multiple competitors to enter high-cost areas.

A copy of our presentation slides is enclosed for the record.
